WHAT'S INCLUDED - THE Q&A BREAKDOWN

For a better grasp of our "what's included," we present this brief yet comprehensive overview of our offerings. This rundown highlights what we provide, what can be included, and what we can source, allowing you to fully appreciate what we mean when we say that a wedding at Anelli's truly encompasses everything.

1

WELCOME DRINKS

A standard at Anelli's, and set up in a way to say welcome and enjoy from the moment you step in.

2

VENUE HIRE FOR CEREMONY & RECEPTION (OUTDOOR & COVERED OPTIONS)

Our venue offers facilities for both your ceremony and reception. Celebrate your vows in our charming, vintage yet rustic outdoor chapel, followed by a delightful reception in either our tea garden (inside or outside space available) or our enchanted venue. The décor can be tailored to your heart's desire, as Anellis spares no effort or energy in perfecting every detail of our venue. We are dedicated to ensuring you experience the day of your dreams, surrounded by luxury, comfort, and beauty.

3

USE OF TABLES AND CHAIRS AS IS

The chapel is furnished with beautifully designed chapel benches, which we decorate to create a stunning aesthetic tailored to your theme for the day. We can even provide tissues, water, or mints—these details can be discussed during your consultation. For the reception, we utilize our standard tables and chairs, which are also beautifully transformed by our talented and creative team. They truly do have an eye for magic.

4

STANDARD CUTLERY, CROCKERY & GLASSWARE

With "standard," we refer to "Anelli's standard in cutlery and crockery." Over the past 15 years, we have gathered a collection of "beautiful things." Thus, a standard with Anelli's does not imply "plain"; instead, it signifies our commitment to eye-catching, stunning items that infuse any table with a touch of enchantment. Anel also possesses a deep appreciation for vintage pieces, guaranteeing a visual feast when you come to select your table arrangement.

5

MUSIC

We have a Bluetooth-enabled speaker available in our chapel for your convenience. And we can recommend a DJ to provide music for your reception.

6

WEDDING CAKE

Anelli's has a skilled professional baker, and our decorating expertise is truly exceptional. By merging these talents, we also provide wedding cake services for an additional fee. Simply share a picture with us, and we'll turn it into reality. If you're interested in having us bake your wedding cake, don't hesitate to request our cake price list.

7

FLOWERS

Flowers play a crucial role in enhancing the atmosphere of any wedding, adding a whimsical touch for all guests. However, we do not include flowers in our package pricing due to their varying availability and selection costs. That said, we are delighted to offer flowers as an optional add-on at Anelli's, since we share a passion for beautiful blooms. Let's explore your preferences during our consultation.

8

FAIRY LIGHTS

Fairy lights are also available as an option for hire at Anelli's for an additional fee. We recognize the enchantment that unfolds beneath twinkling lights and pay careful attention to the details that every bride dreams of.

9

MAXIMUM 50 GUESTS

Anelli's: A Venue Emphasizing Intimacy

At our core, Anelli's is a charming space that values the beauty of intimate celebrations. It's the perfect setting for a wedding focused on your nearest and dearest — those who matter most. With a capacity of up to 50 guests, it allows you to share your day with the people who truly belong there (and offers a gracious reason to skip the extended guest list).

OUR NETWORK OF TRUSTED VENDORS

We are here to assist you with any additional wedding needs that Anelli's may not cover, ensuring your planning process goes as smoothly as possible. With 15 years of experience in the wedding industry, Anelli's has established strong relationships with top professionals, including:

- Bridal Boutique Referrals
- Photographers & Videographers
- Makeup Artists
- Hair Stylists
- DJs

We'll gladly guide you to the right resources, ensuring every aspect of your special day is both effortless and beautiful.

BONUS FEATURE: YOUR WEDDING JOURNAL

As part of our continued commitment to every bride's journey, the Anelli's team is developing a wedding journal designed to keep you organized from "Yes" to "I Do."

This downloadable planner will include:

- Budget & payment trackers
- Vendor contacts
- To-do lists & checklists
- Tips, ideas, and inspiration
- Space for notes, vows, and memories
- AND MORE

Available soon as a self-print download or in a beautifully printed version on request.

...BUT NOT LIMITED TO

We've covered most of the must-knows in our **"What's Included – Q&A Breakdown,"** but here's the truth: Anelli's isn't the kind of place that fits into a neat little checklist.

We're not about red tape or one-size-fits-all packages, we're about you. There's so much magic here that can't be captured in bullet points or brochures. So here's what we suggest: grab a notebook, pour a glass of something bubbly, and let that little girl inside you dream freely, the way she used to. Write down every whimsical, romantic, and joy-filled detail you've ever imagined for your big day.

We'll chat about them all during your consultation.

And just wait... we haven't even gotten to the absolutely delectable food menu lovingly prepared by Anelli's own professional chefs. It's next-level delicious.
